Safeguarding and Protecting Children in Sport

This workshop aims to increase awareness of safeguarding and protecting children, helping coaches to recognise signs of abuse and poor practice, and deal sensitively and effectively with issues that arise. It also prompts a review of coaching practice to ensure that sport provides a positive and enriching experience for children. A 3 hour sportscoach UK accredited course.

Safeguarding and Protecting Children 2: Reflecting on Practice

This is the follow up course for anybody who has already completed the Safeguarding & Protecting Children course and is looking to update their certification. This course will update you on the latest legislation and good practice. 'Safeguarding and Protecting Children 2' satisfies the requirements of the UKCC and Clubmark in relation to basic safeguarding and protecting children awareness training when attended as a 'refresher' workshop within three years of attending the first 'Safeguarding and Protecting Children' workshop or an equivalent recognised direct delivery workshop.

NOTES: As far as we are aware, the above courses are recognized by all National Governing Bodies. However, you may wish to check with your respective NGB prior to attending a course to ensure that they fully recognise the qualification. It is not advisable that the same person attends both 'A Club for All' & 'Equity in Your Coaching' workshops as materials covered in the introduction are very similar.
