TBC

Jane Nixon

**Conflict of Interest Policy:**

Evaluators may not assess a horse where they have had a business arrangement which includes the exchange of money (or an arrangement in kind) with that horse's owner in the last 12 months or they know that they will be entering into one in the next 6 months. An evaluator may not assess a horse which is by a stallion they currently own\* or out of a mare that they currently own\* (\*includes shared ownership)
