Whether you hack, compete or have a veteran you spend many hours with your horse and care about its welfare.

Keeping a horse is hugely rewarding but can be expensive.

You can budget for the regular costs such as feed and shoeing but what happens if your horse is suddenly taken ill or has an accident?

Giving your horse the best treatment in a caring environment could be costly.

South Essex Insurance Brokers Ltd. are authorised and regulated by the Financial Services Authority.

Our daughter Alexie Kirby has qualified for the 'South Essex Insurance Brokers Search for a Star' at The Horse of the Year Show this October with her 6 year old cob. We are delighted and very excited, it is a dream come true that they are going to compete at HOYS.

The qualifiers and workshops are fantastic and we have made new friends along the way. The judges and their teams are brilliant at nurturing and bringing out the very best in everyone. This is a great system for the sport and gives us all a fabulous opportunity.

South Essex Insurance Brokers have insured our wagons for over a decade and we have been delighted with the service and cover they provide.

We have always received prompt, uncomplicated assistance in time of need, with almost instant roadside assistance when we had a blow-out on the motorway and also swift excellent service when the wagon was damaged (It met a tree and lost !!).

We are sure we speak for many of us when we say "Thank You South Essex Insurance Brokers, for enabling us amateur owner/ riders to live the dream and compete at The Horse of the Year Show".

Auction of Bronzes

Caroline, whose bronzes of a horse and an owl we are auctioning this evening, enjoyed drawing from an early age and began sculpting in bronze over 25 years ago. She is now regarded as one of the top artists in this field. Caroline also paints many subjects in oil and has exhibited her work in London, Europe and America.

Private commissions have included top hunter chaser, Bright Approach owned by John Burbidge, Istabraq and Mini Sensation for J.P.McManus and a bronze of Rock of Gibraltar donated for a Timeform charity auction.

Special commissions include the life-size bronze of Her Majesty Queen Elizabeth the Queen Mother's racehorse Special Cargo at Sandown Park, Double Trigger at Doncaster Racecourse and the 1997 Grand National winner, Lord Gyllene which stands at the entrance of the Headquarters of the Animal Health Trust in Newmarket. A sculpture of Spectroscope, the 2003 winner of the Triumph Hurdle stands in the grounds of a house in Barbados.

More recent projects include Black Jack Ketchum, cast in silver; the 2005 Grand National Champion, Hedge Hunter; Iris' Gift and a Limited Edition of Motivato, the 2005 Derby winner.

In 2007, Caroline concentrated on a detailed study of HRH Princess Royal as Colonel in Chief of the Blues and Royals at the Queens Birthday parade. This exclusive edition sold out immediately.

Caroline is currently working on a bronze of event rider, Zara Philips and her horse Toytown and has recently finished three lifesize hinds for a garden in Buckinghamshire.
