

Annex C

THE BRITISH EQUESTRIAN FEDERATION EQUAL OPPORTUNITIES AND EQUALITY POLICY

1. Policy Objectives

- 1.1. The BEF is fully committed to the principles of equality of opportunity and aims to ensure that no individual receives less favourable treatment on the grounds of age, sex, disability, race, parental or marital status, pregnancy, religion or belief, sexual orientation and gender reassignment. This includes all those involved in whatever capacity - riders, drivers, vaulters, employees, coaches, officials, other volunteers and spectators.
- 1.2. The BEF will ensure wherever it is reasonable and within BEF's direct control that there is open access to all those who wish to participate in all aspects of equestrian activity and that they are treated fairly.
- 1.3. This policy reflects BEF's mission statement of More People, Better Places, More Medals, Better Horses and alongside our member organisations we will look to positively influence the opportunities our individual members and current and future participants.

2. Purpose of the Policy

- 2.1 The BEF recognises that ours is a diverse society and is committed to taking reasonable steps to provide equal opportunities for all to take part in equestrian sport. Where individuals may have additional requirements for taking part or where barriers to participation exist BEF will consider how these are best addressed to ensure that the sport is accessible for everyone.
- 2.2 This Policy has been produced to try to prevent and address any unlawful discrimination or other unfair treatment, whether intentional or unintentional, direct or indirect, against Stakeholders that may preclude them from participating fully in the sport and related activities.

3. Legal Requirements

- 3.1 The BEF is required by law not to discriminate against its Stakeholders and recognises its legal obligations under, and will abide by the requirements of, the Equality Act 2010, and any equivalent legislation (as amended) in any UK jurisdiction, Jersey, Guernsey or the Isle of Man and any later amendments to such legislation or subsequent equality related legislation that may be relevant to the BEF.
- 3.2 The BEF will seek advice each time this Policy is reviewed to ensure it continues to reflect the current legal framework and good practice.

4. Discrimination, harassment, bullying and victimisation

4.1 The BEF recognises that discrimination can take the following forms:

Direct Discrimination: treating someone less favourably than you would treat others because of a Protected Characteristic.

Indirect Discrimination: applying a provision, criterion or practice which, on the face of it, applies equally to all but which, in practice can disadvantage individuals with a particular Protected Characteristic. Such requirements or conditions are lawful only if they can be objectively justified.

When decisions are made about an individual, the only personal characteristics taken into account will be those which, as well as being consistent with relevant legislation, are necessary to the proper performance of the work involved.

4.1 Harassment: engaging in unwanted conduct relating to a relevant Protected Characteristic or where the conduct has the purpose or effect of violating the recipient's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for the recipient, or any other individual affected by such conduct. The BEF is committed to ensuring that its Stakeholders are able to conduct their activities free from harassment.

4.2 Bullying: the misuse of power or position to criticise persistently or to humiliate and undermine an individual's confidence.

4.3 Victimisation: subjecting someone to a detriment because he or she has in good faith taken action under the Equality Act 2010 (or equivalent legislation) by bringing proceedings, giving evidence or information in relation to proceedings, making an allegation that a person has contravened the Equality Act 2010 (or equivalent legislation) or doing any other thing for the purpose of or in connection with the Equality Act 2010 (or any equivalent legislation).

4.4 The BEF regards discrimination, harassment, bullying or victimisation, as described above, as serious misconduct. All complaints will be taken seriously and appropriate measures including disciplinary action may be brought against any employee, volunteer or member who unlawfully discriminates against, harasses bullies or victimises any other person.

- 8.2 Appropriate disciplinary action will be taken against any employees, volunteer or member who violates the BEF Equal Opportunities and Equality Policy.
- 8.3 An individual raising an employee grievance will not be penalised for doing so unless it is untrue and not made in good faith.
- 8.4 As with all grievance and disciplinary procedures, the final point of appeal relating to this policy is the BEF appeals committee.

Additional Information

- 9.1 As equestrianism is not a gender affected sport under the Equality Act 2010 there are deemed to be no restrictions on participation by transgender athletes and therefore no separate policy has been developed at this time.
